

Heritage Park

Tot Lot

Heritage Park Tot Lot (HPTL) is a parent run co-operative preschool program. Our students will be prepared for Kindergarten readiness based on ABC school district's Kindergarten curriculum through teacher time, crafts, music, and playtime.

Students will learn social skills such as manners, sharing, and respecting each other while listening, watching, participating, and following directions. Additional activities include monthly field trips, monthly birthday parties, culture days, career days, and seasonal parties.

HPTL is a non-profit 501C organization. It is governed by its By-Laws and operated under the leadership of its Board. Parents are required to work one morning per week per child and attend a monthly meeting. School hours are Monday through Friday 9:30am - 12:30pm. We follow the ABC school district calendar.

Our special thanks to the City of Cerritos and the Parks and Recreation Services Division for their support of the program. Our basic information is also listed in the *Cerritos Community Services Program*. For enrollment, please contact Michelle Kang at (562) 457-0883.
